(303)-483-3196 · probablyannamurphy@gmail.com

A current motivated Computer Science student with an ever-lasting search for knowledge. I'm excited to join your company to share my work ethic and enthusiasm. I pride myself in being a fast learner and not giving up when things get frustrating. Although I have experience leading, I also enjoy supporting and participating within a team. I'm seeking to apply these abilities, as well as others, to a role within your company.

EDUCATION

High School Diploma

Horizon High school – Thornton, CO / **Completed in May 2016**

University of Colorado Denver

Completed some general education courses / **Aug 2016 – May 2018**

Front Range Community College / Community College of Aurora

Currently pursuing an Associate's in Computer Science, potentially to transfer to a bachelor's program, hopefully with a focus in Data Science or freelance / **AUG 2020 –**

PRESENT

PROFESSIONAL EXPERIENCE

POS Coordinator

Cost Plus World Market – Golden, CO / **April 2017 – May 2018**

& Glendale, CO **August 2021 – Current**

Returned to work for CPWM to get myself through school.

- Executed signage placement for promotional events, schematics, and in-store sets up to the company standards.
- Assured price accuracy, responsible for register procedures and approvals, providing unrivaled customer service
- Llama Captain title - through the holiday season, I oversaw the execution of a large marketing event daily involving a Golden Ticket-like promotion

Quality Control

Save Our Soles – Broomfield, CO / **Jan 2021 – July 2021**

*Seeking a change of workplace due to a recent relocation I had to the south Denver area

- SOS is a sock manufacturing company, and my role within the company was to do whatever necessary to complete them to the standard and get shipped out the door. This includes using proprietary machines to close the toes, permanent press them, quality check them, pack them, and ship them.

Shift Supervisor

Caribou Coffee – Aurora / Northglenn, CO / **May 2018 – Jan 2021**

- A developed barista/trade ability. I served people coffee, but I believe it's important to use customer service and genuine empathy to be able to become a bright spot in people's days, in an otherwise uncertain world.
- Ensuring the store runs smoothly on a day-to-day basis, as well as leading, encouraging, and coordinating the team and priorities of the shop.

ADDITIONAL SKILLS & INTERESTS

- Basic experience in Python, Java, C++
- Certified in Microsoft Office
- Natural knack for picking up software
- Experience working within a library, as well as a forever avid reader
- Lover of film and always looking for my next favorite movie
- Currently learning French
- I absolutely adore the mountains, just like everyone else in Colorado 😊

- Very good at teaching myself skills – piano, guitar, how to drive a manual, learning how to build PCs
